

May 2007 SenioRx/Wellness Public Service Announcement

Public Service Announcement

The SenioRx/Wellness Program sponsored by *your local Area Agency on Aging's name* is providing training in Physical Activity and Hydration the Month of May. Come learn healthy facts on how to increase physical activity and burn calories and much more. The SenioRx/Wellness Program provides free medications for most chronic illnesses. Contact *your SenioRx Coordinator's name* at **1-800-AGE-LINE** or come by our office at *your AAA name and address* for more information.
